Designer Profile

ILMIA

Handcrafted since 1819, ilmia sneakers prioritise purity and formal clarity. The long-established brand is regarded as a premier quality classic: details include plant-based tanned leather linings. Radiating understatement – it bears a single embroidered logo on the left shoe – the exquisite all-rounder sneaker is available in white, off-white, black and earth-brown. Visit www.ilmia.com Instagram @ilmia_sneakers

ADORE COUTURE

Improve everyday lounging and your sleepwear attire with Adore Couture's Luxury Sleepwear collection. The garments embody quality and sophistication whilst remaining stylish and comfortable. Complete the look by adding embroidered personalisation to a classic set or indulge in the latest show-stopping design which has local, authentic ostrich feather detail. Visit www.adorecouturesa.com Instagram @adorecouturesa

SEMIFINALIST

Launched by a Barneys New York veteran, Semifinalist celebrates the everyday. They believe the humble but trusty items we use and appreciate each day are more valuable than the ones we save for limited occasions. The shirt you want to reach for every day. That all-purpose bag with the ideal handle drop. The pen that makes your handwriting beautiful. The Semifinalists - not first per se, but enduring favourites. Buy less. Buy better. Use forever. Visit www.semi-finalist.com and find on Instagram @semi_finalist

SIF BENEDICTA

Sif Benedicta's range of bags and accessories offers a window into the creative imagination of Icelandic designer, Halldóra Sif. GUANANAN LONDON

New designer and graduate from Glasgow School of Art, Ju Guan, draws inspiration from ancient oriental mythologies and characters to create her illustrated silk clothing and accessories. The scarves are made in Italy with hand-rolled hem, and the clothing is handmade-to-order in London using Italian silks. Visit www.guananan.co.uk Instagram @guanananofficial

WARNING

WARNING® appeared in 2018. WARNING® exists without the limitations of time, space and culture. It is enlightened by the wisdom of ancient Chinese philosophy, and the realisation that the impact of life extends to future time and space, thousands of years later. In today's deteriorating social and political environment, WARNING® symbolises alertness to the world. It is the origin, the

light of a guide over dark. Visit www.warning-london.co.uk to shop the full collection, and follow on Instagram @warning_london

AFMF

AFMF (Aesthetic Freedom Manufactured for Fun) is a small denim production house that creates limited edition, premium denim items. Their pieces are functional, versatile and timeless. The garments are washed and dyed, with love, in custom AFMF colours. For 2020, AFMF concentrates on reusability and sustainability with a keen awareness of the impact the production has on the world at large. Visit www.afmf.ro Instagram @afmf.ro

VELA MANILA

The pieces of Vela Manila reflect what it advocates: the celebration of the traditional and modern, the value of artisans and crafters, and the significance of purposeful design and storytelling. This is evident in its 11-piece, nature-inspired collection – Luntian's best-selling Box Satchel comes in colours inspired by trees, in a one-of-a-kind shape held together by native weaves.
